OKD Farm, Inc.

O K D Farm, Inc. is a family corporation and all members of the family are very much involved in the shorthorn business. We are proud of our cattle and our accomplishments in the shorthorn business. Shorthorns have been good to us and these cattle will be good for you. We are especially proud that the Sr. member Kemp Warters, was chosen "Breeder of the year 1974" by the Illinois Polled Shorthorn Association.

Mr. and Mrs. Kemp Warters

From the Sale Manager:

OK D Farms, Inc., has always been a family interprise, founded in 1939. I have known this herd of cattle since that time. They have won top honors at major shows and have sold among the top breeding cattle in the nation.

I have recently seen this herd of cattle. They are selling a very outstanding group of bred and open heifers, sired by Thomas Kodiak 42B x. You will find a great set of calves selling with their Dams, sired by Pleasant Dawn Perfect x. Bull calves that can be your future herd bull, heifer calves that will make top producing cows, and show steers for 1976.
